6.2 *Traffic delays*

In advance of and during the WEF 2024, expect traffic delays, changed routes as well as short-term closures throughout the entire Davos road network, especially in the event of any disruptions in traffic resulting, for example, from a demonstration. An easy-to-read map on the traffic concept during the WEF 2024 is available at www.wef.gr.ch and www.gemeindedavos.ch.
